

# SUPPLIERS PORTAL

The British BIDs Suppliers Portal is designed to provide BIDs with a user-friendly, accurate and 'market-tested' information base on suppliers within the BID industry and to provide suppliers with an easy to use advertising portal directed at future BID clients.

## Process

British BIDs is housing the directory of suppliers on its website, following a rigorous in-house scrutiny of suppliers' respective systems and standards.

- Suppliers are required to apply for entry to the portal via an application process.
- Once all elements in the application form have been reviewed and satisfied, British BIDs will approve the entry to upload on the website.
- Each entry will include the company's logo, name, contact details and a full download of their respective application form, details and compliance checks.

## Terms of Service

- Each entry will only be uploaded once payment has been received.
- Each entry lasts for 12 months from the upload month.
- Prior to renewal, an updated application form will be required.
- Payment for renewal will be required prior to the end of the 12 months to ensure continued coverage.
- British BIDs reserves the right to terminate a supplier agreement in the event of multiple complaints. If this case arose, we would communicate directly with the supplier in the first instance.

## Fees

Annual fee: £500 + VAT per entry

Introductory Offer: £295 + VAT per entry (Valid from 1<sup>st</sup> September 2015 – 1<sup>st</sup> December 2015)
